

Meet the Expert.

Dr. Dean McDougall

Director, Occupational Health Services
& Privacy Officer, SureHire Inc.

Dr. Dean McDougall is a licensed chiropractor based out of Calgary, Alberta. He currently works as the Privacy Officer and Director of Occupational Health Services for SureHire Occupational Testing, and has been actively involved in the world of occupational testing since 2011. Over the course of Dr. McDougall's career, he has been involved in over 50,000 Fitness-to-Work evaluations and has been a guest speaker for multiple organizations and associations within Canada.

Along with his Doctor of Chiropractic degree, Dr. McDougall is a certified ergonomic assessment specialist and is currently working towards obtaining his Canadian Registered Safety Professional (CRSP) designation.

The SureHire Difference.

24/7 • 365 Emergency Testing.

When things don't go according to plan, after-hours post-incident and emergency testing is available to you 24/7, 365.

A Human to Talk to.

Talking to robots is annoying. That's why we provide our you with one main point of contact. No automated calls, and no robots!

Same-Day Results Notifications.

We offer result notifications on the same day of testing. If additional testing is required you will be notified every step of the way.

Work with Freakin' Amazing Experts.

Our team of experts are dedicated to high-quality testing services and on-going development to stay up to date with industry standards.

Above & Beyond.

We go above and beyond by providing standardized testing services so you can be sure you've got the right hire for the job.

Your Time Matters.

We value your time, which is why we offer fast appointment booking turnaround and online booking options.
